TO WHOM IT MAY CONCERN

This is to certify that Mr. Rohail Ahmed, son of Muhammad Ziaf, has successfully completed his internship at Global Xperts, an ISP and IT Services Company.

He worked with us as an IT Support Intern from 1-Jul-2025 to 31-Aug-2025. During this period, he gained hands-on experience in:

- Providing IT Support to clients and internal systems.
- IP Camera installation and troubleshooting.
- Routing and Switching operations for network connectivity.
- Point-to-Point (P2P) configuration

During his internship, we found him to be hardworking, dedicated, and quick to learn new technologies. He showed professionalism in handling technical issues and contributed effectively to our projects.

We wish him success in all his future academic and professional endeavors.
